At Hoosier Grove Barn we are committed to providing couples like you an unforgettable and one-of-a kind experience on your wedding day. We pride ourselves in customizing weddings so they feel warm, fun, and uniquely you. Our beautiful, historic venue dates all the way back to 1888, when it was an actual working dairy farm. With a fully renovated interior, our barn provides all of the modern advances that you need for a wedding or event, without compromising its rustic charm.

Hoosier Grove Barn features a stunning main floor space, where the warmth of the barn wood, & romantic twinkle lights create the perfect setting for your special day. A bridal loft is also made available to you so that you can relax, & get ready right here without the fuss, & maybe with a mimosa or two.

Our one room schoolhouse is accessible for intimate indoor ceremonies, or a fun photo op, while our outdoor ceremony locations include a lush garden (complete with ornamental fire pits, & a stone water fountain), a cozy semi-wooded silo area, & our classic school steps.

We even have space for an outdoor tent so you and your guests can dine al fresco. With so many customizable options, there really is something for everyone here at HGB.

It is important to us that your special day not only looks beautiful on the outside, but feels beautiful on the inside. We look forward to helping you create the wedding of your dreams.

TESTIMONIALS

“Book now! Wow! What can I say? Hoosier Grove Barn exceeded every single one of my expectations. They go above and beyond to make your day exactly what you envisioned all while having a smile on their face. Mallory was amazing. She allowed me to come up with crazy ideas and she honored all of them. Their alcohol package is the best I’ve seen anywhere. The grounds are beautiful with multiple places for an on-site ceremony. The barn alone is just gorgeous. If you book here I promise you will not be disappointed.” - Brandi; married 2018

“I cannot say enough about how incredible Mallory and the staff at HGB are. Booking them for our wedding venue was the best decision we could have made. Mallory goes above and beyond the responsibilities of a day of event coordinator and truly will do anything in her power to make your day the most amazing day of your lives. We got nothing but constant compliments about how well put together everything was and how beautiful the property and the barn were. Aside from incredible service and staff, Hoosier Grove Barn was by far the best value for a rustic-modern barn style wedding in the Chicago Area. You would be hard-pressed to find another venue of this caliber that provides everything they do for their price point. 100% best choice we made for our wedding was to start by booking Hoosier Grove Barn!” - Gabi; married 2018
